

PRESS RELEASE

For Immediate Release: Thursday, April 6, 2017

**COUNCIL PRESIDENT'S STATEMENT ON EXECUTIVE ORDER TO
SHARE PILOT REVENUE WITH THE JERSEY CITY PUBLIC SCHOOLS**

"A child's development doesn't end at 3:00PM dismissal. It is my hope that the Schools will use some of the future dollars to enhance after school programs, strategically dedicating resources that will continue to build strong families and safe neighborhoods, restore "the village", and support academic success."
